5/21/2020

Hafa Adai Chamorro Community of San Diego,

I, Josh Borja, President of Sons & Daughters of Guam Club, Inc. hope everyone is doing well and your family is healthy. This official letter is to our members of the Guam Club and the Chamorro Community at large. This is to inform the public that **all events are on Pause until further notice.**

There are three major facts in San Diego as of 5/12/2020 driving this decision which are the following.

- Infection Rate by City of Residence – Top cities in SD dated 5.19.2020
 - Spring Valley
 - National City
 - Chula Vista
 - El Cajon
- Hospitalization Rate – 73% of hospitalizations are 50+ Yrs of age
 - See Hospitalizations Summary dated 5.19.2020
- Death Rate – 95% of deaths are ages 50+ Yrs of age
 - See Summary of Deaths by Demographics Report dated 5.19.2020

With this understood, the majority of the members of the Guam Club are elderly so **please be safe as the city begins to slowly open up.** The info can be found on www.SanDiegoCounty.gov.

I do miss everyone and the Guam Club misses you too. I will be Going Live on Facebook and holding a Zoom Meeting every First Sunday of the month at 2pm. Si Yu'os ma'ase!

Regards,

Josh Borja

President
